

The Acorn Program

Ready Reserve Foods, Inc. realizes that everyone struggles with the investment of food storage. We look at it as tangible insurance that you can use at any time, not just in an emergency. Unfortunately, not everyone feels the same way. We've come up with a way to make your home storage plan exactly how you want it, while avoiding the financial hit. The Acorn Program is a simple, easy to use system that allows you to squirrel away a little or a lot at a time. Simply create a wish list on the pages provided, set a monthly budget, and we'll do the rest! We will manage your wish list to make sure you get as much food as possible out of your monthly budget. Sit back and let us do the work for you! Every month, you'll receive your food delivered right to your door without the hassle. At any time, you can adjust, add, or remove items, too!

It just takes three easy steps to get started!

Does my monthly budget include shipping? Yes, the monthly budget will include shipping. We will never charge you more than what you set as your maximum budget allowed.

Is there a minimum or maximum on the monthly budget? The minimum amount is \$40.00 per month; however, there is no maximum.

How safe is my credit card information? Very! We take great pride in the safety and security of our customers. Not only do we not sell our customer information, but we keep all order history, contact, and credit card information under lock and key.

Where do I send the packet? Email to Sales@ReadyReserveFoods.com, Fax to (208) 736-3766, or Mail it to 595 Washington St. South, Twin Falls, ID 83301
